Redstone Arsenal Military & Civilians' Club

From The President

Bloom Where You are Planted

One of my favorite springtime sentiments is “bloom where you are planted.” It is very meaningful and rings true at this time to our club and how we have thrived living that message to its fullest.

I hope all of you have been able to take advantage of the blooming happening all around you and not just in the form of allergies..but really about the beauty and opportunities that these past months have provided for us to do.

As we wrap up our 2020-2021 RSAMCC year I am overwhelmed and grateful for all the continued support, generosity and tireless efforts of our board of volunteers and members who have shown continued encouragement and support.

We have not concluded our year in the hopes that we thought may have been afforded with the current state of our pandemic but WOW WOW WOW did we prevail and modify what we were able to do. We will be able to award and hand out Community Grants and Merit Scholarships with what we have generated. A huge thank you to Rachel Granger and her dynamic team of sub-club attendees who put together an evening event that was so energetic and delicious ,and to the Ledges who provided all the ambience and pairings that we could have hoped for and been stretched to try.

We are very much looking forward to our PINEAPPLE OPEN on 30 April and having a day that will be memorable. Please come out and enjoy the day of SUN and ALOHA with RSAMCC and our final opportunity of fundraising for the 2020-2021 year.

Thank you to all of those who stepped forward to serve on the 2021-2022 RSAMCC Board. A sincere thank you to our Parliamentarian Kerrie Sheppard who was very proactive in making sure we did not miss a thing and Lyssa Barrow and Leslie Kerr for making sure that our current board members were informed as to who would like to stay or move over or move on. We appreciate the process!

On a personal note, I have so enjoyed and appreciated the opportunity to serve as your RSAMCC for the last 2 years as President. Serving you in this role has challenged me to be very creative and step out of my comfort zone in many ways and I have learned many countless lessons and most importantly from all of you its members and current board members. I will look forward to continuing the RSAMCC club mission next year and volunteering alongside each of you. I hope you all will enjoy the spring and upcoming life celebrations that tend to happen during this season.

Cheers,

Michelle Nash
