Bloom

where you're planted in Sweet Home Alabama

Hi and welcome!

Your new President here..... We are so excited for this upcoming year. We had an outstanding year last year and we definitely made lemonade out of lemons but that was due to the boundless energy and teamwork from the board and volunteers that made things happen. Our momentum is at full speed and we will continue with the same energy.

Who knew that we would end up in north Alabama. But isn't that the story for most of us. We plant our roots where the military takes us and we begin to bloom. I have been a part of this community now for almost four years and I feel like I am blooming in the community both personally and professionally but like any new plants it takes time to cultivate and grow. I feel like our organization has helped me with that. I have made friends, volunteered and connected with my community through service. If you are like me, I blossom better with my friends so I challenge you to invite a friend that is new to join us.

RSAMCC Activities Groups Selection Form

It's time to register for the 2021-2022 Activities. Even if you are a prior activities group member you must re-register for this year's groups. All group memberships are included with your RSAMCC membership and the only costs are those that are required for particular activities. Please select which groups you would like to join. Select as many as you wish, selections indicate that you would like to receive the evites to the events in that club and you are not committed to attending. We only ask that you respond to the evites with a yes, no or maybe and that if your plans change, you update your evite accordingly in a timely manner. Activities are only for RSAMCC members. For some events, you may bring a non-member guest with you and that guest may attend 2 RSAMCC events before being required to join before attending further events if they are eligible.

*Tip - Join Evite with the same email you have given me and download the app to your phone to find evites easily

**Note- Evites for activities come from the Activities Chair (Lyssa Barrow), Sandra Smith (Cosmopolitan Gals) and Rachel Granger (Vine and Dine). Evites for RSAMCC Luncheons on base (not lunch bunch) will come from RSAMCC Reservations.

Activities

It's going to be a blooming year! And with this new year comes a new name! Our "sub-clubs" have been renamed and are now called our Activity Groups.

Some of our groups have also had a name upgrade as you will see below. However, they are still our same fabulous groups. Did you notice the new one! Introducing the Podcast Brunch and Chat group! A podcast discussion group that will meet and discuss our latest listen and learn adventures over brunch. Don't forget you have to sign up again every year for these groups so please go online and fill out the Activities selection form to re-enroll in each group. You can also sign up in person at the Super Sign-Up. Evites will go out to new and old members until September and then only current sign ups will get them. As we adapted last year, we will continue to adapt this year as things evolve on the community health front. Remember "the best flowers have to grow through a little dirt". So each activity group will make accommodations needed to maintain a safe environment for us to meet and enjoy each other's company and bloom beautifully.

Make sure to read your evite details carefully for additional information about each event. One of our clubs, Bunco, will be put on hold for it's start up until the community numbers are lower but sign up if you want the evites when we start up again.

I look forward to seeing everyone at Super Sign Up or in September and catching up!
